

Town Information

Town Government is Open; Buildings are Open to Public

All Town Offices are now open to the public. Town services will continue with some modifications for social distancing.

In keeping with Governor Hogan's orders and the most current guidance from the Centers for Disease Control, the Town of Cottage City has made the following changes to operations and events:

STATUS OF TOWN OF COTTAGE CITY PUBLIC FACILITIES

Town Hall	Open
Town Owned Playground Equipment	Closed
Police Department	Open
Public Works	Open
Meeting Rooms	Closed for Public Use
Trash and Bulk Item Collection	On regular schedule

Vaccine information and FAQs for you and your family.

Free COVID-19 Vaccines

COVID-19 vaccines are free for all residents who live and work in Prince George's County regardless of insurance coverage or immigration status. Information provided during pre-registration will NOT be used by the federal, state, or local government for any civil or criminal prosecution or enforcement, including, but not limited to, immigration enforcement. Your information will be private and protected. Providers and vaccination sites collect certain information from individuals receiving the vaccine to monitor how many people are receiving the vaccine and to ensure dose matching and appropriate timing for the second dose.

As appointments become available, individuals who complete and submit this pre-registration form and are eligible will receive an email from the Health Department with a link and instructions on how to make a vaccine appointment. COVID-19 vaccines are offered by appointment only.

Pre-register for Prince George's County Operated Clinics

You must pre-register to make an appointment. Individuals who live or work in Prince George's County should fill out the pre-registration form [here](#).

Pre-register for State of Maryland Operated Clinics

Find appointment availability at Six Flags and other state-run vaccination sites [here](#).

VACCINE UPDATE FEB. 16th, 2021

The Six Flags COVID-19 vaccination site in Prince George's County is operated by the State of Maryland and it is open to any eligible Marylander.

For updates on appointment availability at Six Flags and other state-run vaccination sites, please visit: <https://coronavirus.maryland.gov/pages/vaccine>

If individuals text "MDREADY" to 898-211, they will receive text notifications on their smartphones regarding updates about Six Flags and the State's other mass vaccination sites.

The State has also launched a COVID-19 Vaccination Support Center where Marylanders can get help scheduling vaccination appointments at the State's mass vaccination sites, including Six Flags America. Individuals can also get information on COVID-19 vaccines and help finding vaccination providers closest to their homes. The number is 1-855-MDGOVAX (1-855-634-6829). It will operate seven days a week from 7 a.m. to 10 p.m. The center is specifically designed to assist residents without Internet access.

Seniors: What You Need to Know

Phase 1B & 1C

- The COVID-19 vaccine for seniors will be provided in two phases:
 - Phase 1B: seniors 75 and older (began January 18, 2021)
 - Phase 1C: seniors 65-74 years old (pre-registration began January 25, 2021)
- You must have an appointment in order to receive the vaccine.
- You must fill out the Health Department's pre-registration form:
<https://bit.ly/PGCVaccineForm>
- As appointments become available, the Health Department will follow up with instructions on how to schedule a vaccine appointment.
- Seniors and others without access to the Internet or that need help completing the pre-registration form should call our COVID-19 vaccine registration hotline.

Plan Ahead!

Make sure you have transportation to your vaccine appointment.

Make sure you have a form of photo identification to bring with you.

If you have insurance, please bring your insurance card with you.

Current COVID-19 vaccines require two doses. Make sure you schedule your appointment for the second dose right after your appointment for the first dose. Be sure to keep your appointment for the second dose of the vaccine.

Personas mayores: Qué necesita saber

Fase 1B y 1C

- La vacuna contra el COVID-19 para personas mayores se proporcionará en dos fases:
 - Fase 1B: para personas mayores de 75 años o más (comenzó el 18 de enero de 2021)
 - Fase 1C: para personas mayores de 65 a 74 años (preinscripción abrió el 25 de enero de 2021)
- Debe tener una cita para recibir la vacuna.
- Debe completar el formulario de preinscripción del Departamento de Salud: <https://bit.ly/PGCVaccineForm>
- A medida que las citas estén disponibles, el Departamento de Salud hará un seguimiento con instrucciones sobre cómo programar una cita.
- Las personas mayores y otras personas sin acceso a Internet o que necesiten ayuda para completar el formulario de preinscripción deben llamar a nuestra

**LÍNEA DIRECTA DE REGISTRO
DE VACUNAS COVID-19:
MARQUE 311 Y PRESIONE #**

¡Planifique con anticipación!

Asegúrese de tener transporte para su cita de vacunación.

Asegúrese de tener una identificación con fotografía para llevar.

Si tiene seguro, traiga su tarjeta de seguro.

Las vacunas actuales contra el COVID-19 requieren dos dosis. Asegúrese de programar su cita para una segunda dosis inmediatamente después de su cita para la primera dosis. Asegúrese de asistir a su cita para la segunda dosis de la vacuna.
